

HAVE YOU HEARD GENELEC®

Please join us at our offices on August 3rd [12 PM - 6 PM] or 4th [8 AM - 6 PM] to enjoy a demonstration of the world's finest Active Speaker Systems.

We invite you to experience the difference a Genelec system can bring to your home theater designs. Genelec products are known around the world as the finest active speaker systems. Their legendary performance is now available for your client's project.

Five key technologies are employed in Genelec Active Speaker Systems:

- ~ Active Crossovers
- ~ Optimized Amplifiers
- ~ Protection Circuitry
- ~ Room Response Controls
- ~ Directivity Control Waveguide

Genelec is actively involved in pushing the boundaries of knowledge in acoustic design, signal processing and perception of sound. Find out more – join us!

Contact your Omega Sales representative, Gary, Blake or Steve to arrange your personal Genelec Active Speaker System experience. Call 847-808-9200 or email us at omegasales@omegasalesinc.com!

Meet Bart LoPiccolo, National Sales Manager, who will be on hand to introduce you to the finest in amplified loudspeakers. Bart brings a wealth of knowledge to our event and will be ready to answer your tough questions about theater design, active theater speaker application, and reaching real SPL requirements in theaters.
